

INFORMATION ON BUS ACCIDENTS INVOLVING STUDENTS

After any bus accident involving students in the Millville School District, parents should submit bills and expenses of medical attention received as follows:

1. Parent's Personal Auto Policy – Medical Payments. This is not No-Fault with deductible but medical payment coverage. This is the primary source of recovery.
2. Parent's personal health carrier, subject to the applicable health plan deductible and co-payments.
3. Student Accident Insurance, if available from your District. Parents should use this only if they do not have auto or health insurance coverage.
4. If further information is needed, please call the Millville Board of Education Transportation Office at (856) 293-2051.
